

FOR IMMEDIATE RELEASE

Flat Track Motorcycle Races in Cadillac (1/2 Mile Track, 1/4 Mile Track, TT Track)

The Wexford Civic Center, District 14, and the American Motorcycle Association is proud once again to be hosting outdoor **Flat Track Motorcycle Races** during the 2011 summer racing season—NINE of them, in fact! This year included in these **9 races**, The Wex has the honor of holding **the 1/2 mile State Championship Race**! Not since 1970 has a State Championship Flat Track Motorcycle Race been held in Cadillac. Racers and their families will be coming from all over Michigan as well as Ohio, Indiana, Illinois and even Canada to be a part of the exciting racing fun.

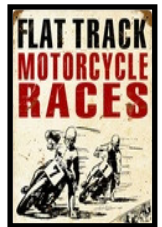

This historic and truly all-American form of motorcycle racing is making a huge resurgence nationwide. It is a fast, exciting sport involving all ages and bike sizes. There are 19 different classes of motorcycle races starting with a 0-51cc Pee Wee class for 4-8 year olds and increasing in bike size and driver age. There is even a class for Quads! A complete list of the classes is available upon request.

As an added feature this year, we will also be having indoor races. Every weekend that there is an outdoor race, we also will be having a race inside the ice arena (minus the ice). Rain or shine, we'll have Flat Track fun for everyone.

Here is a list of race dates for the remainder of the year:
